

Creative Art Classes *for Homeschoolers*

Inspiring Young Artists Through Hands-On Learning

With a professional background in graphic design and a lifelong passion for the visual arts, I bring real-world creativity into the homeschool classroom. My classes blend traditional art fundamentals with design thinking and project-based learning. Whether your child is a budding painter or a curious creator, I offer a nurturing space to grow their skills and confidence.

**Custom packages available.
Let's build the right program
for your family!**
